

Message Title: More Rapture Puzzle Pieces

Theme: This message looks into several unique places in scripture that reflect the events and attitude of believers nearing the time of the Rapture

To say that the Bible is a most unique work is an extreme understatement. The number of writers is still unknown and the time period from the book of Job, around 1520 BC up to the first rapid printing, the Gutenberg Bible printed around 1455 AD should have produced a work of contradictions and provable errors but it hasn't. Oh yes it has vast numbers who think it has errors and many today believe they are qualified to correct the mistakes. This has produced well over 600 other English versions, as of 1992, that all conflict with each other in multiple ways. So why is it that with all the options The Authorized King James Version, which is over 400 years old stands out from all the rest? Simple, "It's the one that works". That was Charlton Heston statement when he was asked why they chose it for the movie Ben Hur. That is also the testimony of millions who have experienced its life changing power. I believe it is because of Psalm12:6-7 "The words of the LORD are pure words: as silver tried in a furnace of earth, purified seven times. Thou shalt keep them, O LORD, thou shalt preserve them from this generation forever.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, "***And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me***". Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, ***even*** as by the Spirit of the Lord". Truly a life changing experience as God increases and we automatically decrease.
