VI. Those Who Approve Are Also Under God's Wrath

Closing Thought: God has given mankind over to their sin. Because they have rejected Him, suppressing the truth of His existence and sovereignty, He has abandoned mankind, and left him to his sin. Abandoned by God, mankind does what is abominable, sexual immorality, the epitome of which is homosexuality. Mankind is filled with unrighteousness, because God has given them over to their sin. Jesus is their only hope! Do you have hope, or are you still a slave to your flesh? It's one or the other, not so of both.
