## God's Glory in His Church

The Letter that appears with the name **Ephesians** in the Bible was written by God through the apostle Paul to a group of churches in modern day-Turkey. The primary theme of this biblical book is God's glory displayed through the Church. If you have questions about what the Church is all about, Ephesians is a great place to look. In six brief chapters God tells us what His design for the Church is all about. The first half dwells on who He has made us to be as His people and the second half explains what it means to live in this new reality of being the Church.

### APPLYING GOD'S WORD

*Please ask the Holy Spirit to guide you:*

What does it mean for God to freely bestow grace on us in the Beloved?

What does it mean to be "in Christ"? What difference does it make?

Why does God receive all the glory for the adoption of His people?

## Ezra-Nehemiah

### A Community Restored for Worship

The book of **Ezra-Nehemiah** was written to encourage God's people returning after exile to believe the covenant promises and restore the temple in Jerusalem. God's people were being restored in the place of promise as a worshipping community. The restoration of purpose was far greater than their real estate. The place always has to do with what God promised would happen there.

Morning Service

Ephesians 1:1-14

## Celebrating God's Kindness in Our Adoption

1. God Gets All the Glory for Our Salvation (1-6).
2. We Are Adopted in Christ (3-14).
3. The Father Delights in the Son (6,10).

Summary: Every single bit of our salvation is God's doing and so it is only right that He should get all the glory from it. In this song of praise, we see layer after layer of God's glorious work in our salvation that results in our adoption in Christ for His glory. Wonder of wonders we receive the same affection from God as Christ as He set His everlasting love upon us.

Evening Service

Ezra 1-2

## Restored to Worship

1. The Place of the Promise.
2. The People of the Promise.
3. The Purpose of the Promise.

Summary: Worshipping the true God together in community is not only the end goal of the promise, but it is the means by which we are restored. It is through biblical worship that we see God and ourselves rightly and are transformed more and more in the image of Christ our Lord to more fully and wholly worship Him.

## **Taking Gathered Worship Home**

God is zealous for His own glory. He will not share it. Yet part of the wonder of the gospel is that He chose to adopt us into His family and be magnificently glorified through us. As we investigate Ephesians together, pray He would be more glorified through us. Please use the devotional material below each day this week to meet with Jesus. Please pray that we as a community of faith will learn His ways and walk in them to accomplish His purposes.
