

Message Title: Considering God's Schedule Pt-1

Theme: This first message in this series is on what brought about the Church age and subsequently the Rapture of all those in Christ Jesus.

Biblical scholars have tried for years to unlock the mysteries that God has hidden in His word only to be frustrated by events that followed. Some even making bold statements such as, if Hitler isn't the Anti Christ I'll quit the ministry, or to name a specific date that the Rapture will take place. These errors start with an idea and then research is done to find supporting proof text. At some point they come to believe so strongly that they are able to convince others that they have figured out some mystery. More than likely they don't apply what Jesus said in Mathew 11:25, "I thank thee, O Father, Lord of heaven and earth, because thou hast hid these things from the wise and prudent, and hast revealed them unto babes." Chapter 11 is about seeking answers to God's mysteries and when Jesus said, "Take my yoke upon you, and learn of me". He gave us a hint of what we should be looking for, that being how God has chosen to do things, where His interests lay, what schedule He is working on and how He benefits from doing things in His own way.

Salient Points: Why should God bless us, Wanting to be loved, The controlling power of oil, Discretionary income, What most billionaires want, The Jews first mistake, The Old Testament, Keeping the law, The thirteen's, Romans 8:28, Nine the number of blessing, Are the scriptures complete, Israel's first sign, Feeling alone, Provoked to jealousy, Writers without understanding, The night watches, The morning light for Jews, The Spirit of slumber, Senses shut down during sleep, What God can hide from us, Only God can protect us, Seeking truth to benefit God, A study of God's ways, Jews lack of response to Jesus, Rapture schedule, Oil fields, Gods way will and time, Study God's ways.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, ***“And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me”***. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, ***even*** as by the Spirit of the Lord". Truly a life changing experience as God increases and we automatically decrease.
