

The Understanding Husband

1 Peter 3:7

April 9, 2017

What is it to bear authority from God?

The one in authority is addressed last

What is husbanding?

Two things to do and two reasons to do it

Live in an Understanding Way

Live with them.

According to knowledge

How does a husband gain this knowledge?

Showing them Honor

Praise what is praiseworthy.

If you neglect your wife you are hurting yourself.

Do you have an 8 cow wife?

Two reasons to do it

Your wife is the weaker vessel.

What does weaker vessel mean?

You are not to take advantage of your strength in that area.

You are co-heirs with you of the grace of life

Grace makes everything better, sweeter, more enjoyable.

So that your prayers may not be hindered

Your authority is given to you for service.

Christ gave his life that we might be co-heirs of the grace of life.
